## Dialogue 4

Mr Smith: Nurse?

Nurse: Yes, Mr Smith.

Mr Smith: Where am I?

Nurse: You're at Seitetsu Yahata Hospital in Kitakyushu. You had a car accident.

Mr Smith: Where is my wife?

Nurse: Your wife is also here. Don't worry.

Mr Smith: I don't remember much, and my leg hurts.

Nurse: That's OK. You were hit by another car. You have a broken leg and a broken arm. Your wife also has a broken leg. Do you want to talk to the doctor now?

Mr Smith: Yes, when can I do that?

Nurse: I'll go get her now. If you need anything, this is the nurse call button.

Mr Smith: Thank you.

Nurse: You're welcome.
